"Give charity without delay, for it stands in the way of calamity."

Reported by Tirmidhi

Ten years of serving with sincerity.

As we look back on 2025/26, I am proud of what we have achieved together, ten years since we first started our humanitarian work. Through the generosity of our donors, the dedication of our volunteers and the support of our partners, As-Salaam Foundation has continued to reach vulnerable communities with meaningful and lasting assistance. From emergency relief and clean water to education, orphan care and sustainable livelihoods, every contribution has helped make a difference.

I would like to sincerely thank everyone who has supported our work throughout the year. Your trust and donations directly allow us to continue serving those most in need with dignity, compassion and accountability. May Allah reward you for your generosity and bless the efforts of everyone involved in this work.

"The believer's shade on the Day of Resurrection is his charity."

 Chief Trustee and Founder

OUR PURPOSE

Mission, vision and values.

Mission

Our mission is to provide global humanitarian aid, relief and development with sincerity and compassion whilst saving lives, alleviating poverty, transforming and empowering local communities to ensure well-being and protection of the poor, needy and vulnerable.

Vision

We aim to provide sustainability to communities worldwide, providing the means to strengthen and educate the needy, allowing growth both financially and in terms of health. We believe in providing aid impartially, regardless of race, gender, or religion, providing a future regardless of an individual's past.

CORE VALUES

01

We are committed to transparency in how donations and expenses are recorded and shared with our stakeholders.

02

We endeavour to respond to suffering brought on by poverty, injustice & disasters.

03

All actions are driven by our sincerity to fulfil the rights of mankind.

04

To provide humanitarian aid to the poor and needy promoting integrated development.

HOW EVERY DONATION IS USED

A 100% donation policy.

As-Salaam Foundation operates on a **100% donation policy** and all donations are used for the delivery and service of the project. We work under the guidance of the Charity Commission and scholars in order to ensure that funds are distributed according to both Islamic and UK charity laws.

All the charity's administrative costs are covered by tax reclaimed from your donation, where specified, from the UK government's Gift Aid scheme. This allows taxpayers to increase the value of their donation by 25%. This additional money is allocated to the charity's administration fund. All accounts are available on the Charity Commission website for auditing purposes.

CHALLENGES AND HOW WE OVERCAME THEM

Resilience, care and adaptation.

The 2025/26 year tested our resilience and ability to adapt while remaining committed to supporting those most in need.

Rising costs

The rising cost of **food, medical supplies, construction materials and other essentials** affected project delivery. Stronger supplier relationships, tighter procurement and careful budgeting helped ensure every pound had maximum impact.

Audit & compliance

As work expanded, so did **financial and regulatory requirements**. Internal processes and financial controls were strengthened, improving transparency, accountability and donor confidence.

Conflict & international access

Ongoing **Wars and conflicts around the world** made international travel increasingly difficult, limiting or delaying some planned deployments. Where possible, trusted local partners maintained aid delivery and oversight.

GAZA CRISIS APPEAL

Palestine

The humanitarian crisis in Gaza has remained **one of the most urgent calls for action** this year. In response to the ongoing conflict and deepening needs of displaced families, As-Salaam Foundation launched its Gaza Crisis Appeal with a clear goal: to deliver life-saving support where it is needed most.

#1FOR1 RAMADAN APPEAL

One pound, one hot meal.

£1 = 1 HOT MEAL IN NORTH GAZA

During Ramadan, our **#1For1 Appeal** provided a hot meal for just **£1**. We established and supported **kitchens across North Gaza**, preparing and distributing meals to families facing severe food shortages. Through trusted local partners, we worked to ensure aid reached those most in need with dignity and care.

This comprehensive response was made possible through close coordination with local partners on the ground, ensuring that aid reached the most vulnerable in a timely and dignified manner.

RAMADAN MEALS IN GAZA

A lifeline of hope in Gaza.

Mohammed Aseel is just 24 years old. When the conflict began in Gaza in October 2023, Mohammed and his family of five were displaced from their home. Since then, he has faced the unimaginable uncertainty of not knowing whether his family are alive or where they may be.

For the past three years, As-Salaam Foundation has stood alongside Mohammed, providing him with hot, nourishing meals throughout Ramadan. In the midst of conflict, displacement and uncertainty, these meals have offered more than food, they have been a reminder that he has not been forgotten.

Three years of conflict. One young man. A lifeline of food, dignity and hope.

I have lived through so much uncertainty since losing contact with my family. The Ramadan meals from As-Salaam have meant so much to me. They remind me that there are people who still care and have not forgotten us. May Allah reward everyone who has supported me. Ameen.

RELIEF FOR REFUGEES

Jordan

Throughout 2025/26, As-Salaam Foundation continued supporting **Syrian and Palestinian refugees in Jordan**, including communities in **Mafraq, Irbid and Jerash**. Our UK deployment team travelled to Jordan **twice**, distributing over **£56,736.00** in aid and ensuring donations reached those most in need.

Sacred Dreams

One of the highlights of the year was **Sacred Dreams**, where we had the honour of taking **50 orphans from Jordan to Makkah and Madinah** for their first Umrah. The journey gave these children an opportunity to experience the holy cities, perform Umrah and create memories that will last a lifetime. Following its success, we hope to expand the project in 2026, In shaa Allah.

A NEW HOPE FOR BALUKA'S FAMILY

Baluka Jamirah

Baluka Jamirah and her family faced significant financial hardship, with meeting their basic needs often a daily struggle.

Through education sponsorship support from As-Salaam Foundation UK, her grandchildren have been given greater access to education and a brighter future through As-Salaam Orphanage.

The support has brought more than financial assistance, it has restored hope, dignity and confidence, helping the family move forward. Today, her grandchildren can look towards the future with greater confidence and hope.

From hardship to hope: one family supported, generations empowered.

The support from As-Salaam Foundation UK has changed our lives. Seeing my grandchildren have the opportunity to learn and look towards a brighter future gives me hope. I am sincerely grateful to everyone who has supported us. May Allah continue to reward you and your donors. Ameen.

WHERE THE INVESTMENT WENT

Five ways we made a difference

Sustainable Livelihoods

We supported families through **goat farming, electric sewing machines and canoes**, helping communities build reliable incomes and greater independence.

Medical Camps & Eye Care

Our medical camps provided **general health checks and eye examinations**. We referred **60 people for cataract treatment** and provided **free glasses** to those in need.

Clean Water

We installed **30+ water sources**, including larger **community water systems**, providing reliable access to clean water for families and villages.

Install a handpump for £105

Cyclone Ditwah Emergency Relief

When **Cyclone Ditwah** devastated parts of Sri Lanka, we responded with **Cyclone Ditwah Emergency Relief** worth **£5,400**, delivering essential support to affected families during a time of urgent need.

SUSTAINABLE LIVELIHOODS

From Struggle to Self-Reliance

Hisam fishing in Erukalampitty, Mannar

Hisam, from Erukalampitty, Mannar, depended on fishing for his livelihood, but limited access to proper equipment made it difficult to earn a stable income and support his family.

Through the Canoe Livelihood Project, funded by As-Salaam Foundation and implemented by Lifeline Community Relief, Hisam received a canoe that opened the door to greater livelihood opportunities. Today, the canoe is more than a boat, it is a symbol of hope, dignity, and independence, helping Hisam strengthen his income and build a more secure future for his family.

A canoe. An opportunity. A life changed.

"This canoe has given me the opportunity to earn a better and more stable income for my family. I am truly grateful for this support, which has given me hope, dignity and a chance to build a better future."

GOAT FARMING LIVELIHOOD PROJECT

From daily labour to a sustainable future.

Ramlan and Fareedha, from Gambirigaswewa, Anuradhapura, are parents of three children. As a family dependent on daily labour, meeting their household expenses was often a challenge, with no stable source of income.

Through the Goat Farming Livelihood Project, supported by As-Salaam Foundation and implemented by Lifeline Community Relief, the family received goats to start their own small livestock enterprise. This support gave them more than an asset, it gave them an opportunity to build a sustainable income, strengthen their family's financial security, and hope for a better future for their three children.

From daily labour to self-reliance. One family, one opportunity, a life transformed.

"This support has given us more than goats, it has given us a way to earn a sustainable income and provide a more secure future for our children. We are deeply grateful for this opportunity and the hope it has brought to our family."

Trusted allies in impact

Behind every successful project is a network of **dedicated partners** in the UK and around the world. Their support helps us deliver aid, education and community programmes where they are needed most.

Figures within these testimonials are reported by our partners.

Ahmad Naveed Malik

CEO and Founder, Charity Doings Foundation, Pakistan

Working with ASF this year has been truly transformative. Together, we brought shelter to 45+ families, clean water to around 350,000 people through 35 solar wells and 160+ hand pumps, and restored mobility to 150 individuals through wheelchair distributions. We also supported 600+ families affected by the KPK disaster and provided Ramadan Iftar to 3,600 people. ASF's commitment to dignity and evidence-driven action reflects CDF's own values. This partnership has not only expanded our reach but deepened our purpose. We are profoundly grateful for this collaboration and look forward to continuing to serve humanity together with compassion, integrity and hope.

ASF has remained firmly committed to supporting the people of Gaza, having been present with affected communities from the very beginning of its operations. ASF has been actively operating in the North Gaza Governorate, particularly in Jabalia, delivering vital humanitarian assistance to families facing severe hardship. This year alone, more than £60,000 in aid has been distributed through food and water projects, clothing for children, and support for families who have lost their homes. These efforts have provided much-needed relief to vulnerable communities. We can't thank them enough!

As we celebrate our decade of partnership with ASF, we deeply appreciate the meaningful support in Uganda. Gohar is not just a business partner, but a true friend I know personally. This collaboration, trust and transparency has enabled us to reach vulnerable communities with essential humanitarian assistance, hope, and dignity. We have managed to implement various projects ranging from Masjid construction, water wells, orphans sponsorship among other projects. We look forward to growing this partnership and reaching even more people across Uganda.

S.H.M. Mubassir

Managing Director, Lifeline Community Relief, Sri Lanka

Over the past year, ASF's invaluable support has made a lasting impact across vulnerable communities in Sri Lanka. Their partnership has strengthened water and sanitation projects, health initiatives and education, providing children with essential school supplies and villages with safe, clean drinking water. Their commitment to sustainable empowerment has also helped struggling families rebuild livelihoods with dignity and greater independence. Seasonal campaigns, including Ramadan food pack distributions and Eid gifts, brought vital support and joy to hundreds of families and children.

UK PARTNERSHIPS

Local effort. Global impact.

Our partnership with ASF is now in its third year and has been truly impactful. ASF deployed us to Pakistan to personally distribute wheelchairs, fruit carts and Eid gifts, funded through our events in the UK, including a Mam Tor Trek. ASF's transparency, efficiency and commitment to making every donation count are why we continue to work with them. We strongly encourage businesses and organisations looking for a trusted charity partner to work with ASF and support their incredible work around the world.

THE BACKBONE OF AS-SALAAM FOUNDATION

The hands and hearts behind the work.

Our volunteers are more than helpers: they are the backbone of our work, the hands and hearts behind every distribution, deployment and community effort.

Arzoo Rizwan and Anab Mahamed

I've really enjoyed volunteering with ASF. Everyone is so lovely and supportive, and it's always nice being part of events where we can come together and help make a difference. I'm really grateful to be able to volunteer with such a great team. May Allah accept all of their efforts, put barakah in their work, and reward everyone involved abundantly.

Arzoo Rizwan
Volunteer

They've always been really supportive during events and I'm grateful for the time and effort they put into working with the volunteers. May Allah bless their efforts, accept their work, and reward them for everything they do.

Anab Mahamed
Volunteer

Alhamdulillah, volunteering with ASF has been a blessed opportunity to serve those that are most in need of support across the globe. It has been an honour to work with a charity that upholds absolute integrity and remains committed to helping people access healthcare, food and other essential provision.

Talha Faisal
Volunteer

We extend our deepest gratitude to every volunteer who has given their time, energy and passion to help others. Your efforts continue to inspire us all.

HERE ARE A FEW WORDS FROM OUR VOLUNTEERS

Service, trust and purpose.

Every person who gives their time helps carry the Foundation's work further, in the UK and across our programmes overseas.

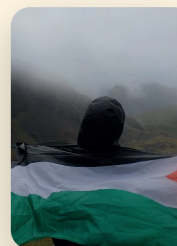

As someone who seeks to embody the Sunnah of Rasoolallah (PBUH), being a part of ASF has allowed me to mirror the selflessness, mercy and sincerity of him (PBUH) to the best of my capacity, and I hope to continue to be able to do so by the mercy of Allah Almighty.

Mohammad Islam
Volunteer

I've been volunteering with ASF for a number of years now, and year on year my trust in the charity continues to grow. Being part of a team that does such amazing work across the world is incredibly rewarding. What I value most about ASF is their care, transparency and dedication to each and every cause. I'll certainly continue helping wherever I can, and I would certainly recommend volunteering with ASF to others.

Rahman Pervaiz
Volunteer

Alhamdulillah it's been a pleasure working within the ASF media team. Through this role, I have the opportunity to see footage from the ground, showing the impact of projects across different countries. From food appeal projects to housing projects, everything I see highlights the difference ASF is making to people's lives around the world. As-Salaam takes the time to identify areas of need, and consider the best ways to support communities, not only in the short-term but also long term. It has been incredibly rewarding to contribute to the media team and share the work that's being done. It's definitely a charity you can trust with your donations, having seen the work first-hand.

AS-SALAAM FOUNDATION

Our plans for 2026/27.

More people. Stronger communities.

We remain committed to expanding our impact, strengthening partnerships and reaching more communities, internationally and across the UK.

01 More international deployments

Increase UK volunteer deployments for greater oversight, transparency and direct engagement with the communities we support.

02 Growing our UK work

Support food insecurity, homelessness, refugee challenges, youth needs and educational needs.

03 Stronger partnerships

Build relationships with NGOs, businesses, mosques, schools and community organisations to deliver sustainable projects.

04 Expanding sponsorship

Grow orphan and project sponsorship, including classrooms, water sources and medical initiatives.

Our focus remains simple:
serve more people,
strengthen communities
and create lasting
change, with your support.

Want your business to make a difference?

GUIDED BY COMPASSION AND INTEGRITY

Leading with integrity.

A dedicated team brings leadership, experience and a hands-on approach to work in the UK and overseas.

Gohar Khan

FOUNDER AND CHAIR TRUSTEE

Gohar leads the Foundation with a strong focus on field-based work, ensuring projects remain connected to the communities we serve.

Being in the field this year has reminded me why we started, to serve with sincerity. Seeing lives change first-hand is humbling. Thank you to everyone who made this possible.

GOHAR KHAN, FOUNDER AND CHAIR TRUSTEE

Alhamdulillah. All praise belongs to Allah SWT for allowing us to carry out the work that we do.

Year by year, I have the opportunity to work alongside so many talented individuals be it project leads, external organisations, and general volunteers, and as always it has been an absolute pleasure. Every child we feed, every mother we support, every every life we save, would not be possible without the help of those behind the scenes.

If I have one message to anyone reading this report, it is to get involved. As our testimonials will show, it's such a blessed organisation to be a part of, and we try our best to make every single person feel welcome and to work on projects that mean the most to them with the freedom to make it their own.

May Allah SWT allow us all to use our time in that which pleases him, and allow this work to be a means of being granted shade on the day in which there is no shade but his.

I look forward to seeing you all in our 2026/27 financial year!

BEHIND EVERY DEPLOYMENT

Making every effort count.

At the heart of As-Salaam Foundation is a dedicated team united by **compassion, integrity and a commitment to serving humanity.**

Tariq Khan
ADMINISTRATOR

Tariq oversees administration, logistics and compliance, helping keep the Foundation's operations running smoothly.

Coordinating international projects can be challenging, but seeing the results makes it worthwhile. Alhamdulillah, our 100% donation policy continues with transparency.

Mansour Mansouri
DEPLOYMENT MANAGER

Mansour has progressed from volunteer to Project Manager, bringing valuable field experience and dedication to our international deployments.

Alhamdulillah, it has been a blessed year. Visiting communities in need and seeing the smiles of beneficiaries makes every journey worthwhile.

Tariq Malik
BUSINESS RELATIONS

Tariq supports the Foundation's strategic direction and operational development, helping ensure our projects remain focused and effective.

From education in Uganda to clean water in Sri Lanka, this year has shown what we can achieve together. I'm proud of how far we've come.
